OBJECTIVE

Motivated and detail-oriented BCA graduate with a strong foundation in computer applications and programming. Eager to contribute to team success and apply software engineering skills while gaining hands-on industry experience.

EDUCATION

- BCA (Maharaja Agrasen Mahavidyalaya, Bareilly) MJPRU [2025]
Relevant Coursework : Web Technology, Data Structure, Software Engineering, OOP's (Object Oriented Programming)
- XIIth (Krishna Public School, Bareilly) CBSE [2022]
- Xth (Krishna Public School, Bareilly) CBSE [2020]

SKILLS

- **Frontend** : HTML5, CSS3, JavaScript, Bootstrap, Reactjs
- **Database** : SQL
- **Version Control** : Git, Github
- **Development Tools** : VS Code, Chrome DevTools
- **Basic Knowledge** : Software Development Lifecycle (SDLC)
- **Soft Skills** : Problem-Solving, Team Collaboration, Time Management

PROJECTS

- **E-commerce website** - <https://sell-online.netlify.app>
Technology used : HTML5, CSS3, JavaScript
In this project, I used core frontend technologies to build a multipage website consisting of Home, Shop, Blog, About, and Contact pages. The website is fully responsive and adapts seamlessly to all device sizes.
- **Online Test System**
Technology used : HTML5, CSS3, Bootstrap as frontend and C# and .net in backend
This was my academic project, where I was responsible for designing the user interface and frontend layout of the system.
- **Portfolio Website**
Technology used : HTML5, CSS3, JavaScript
This is a responsive landing page with multiple sections. Navigation links are provided in the navbar, allowing users to quickly jump to any section.

CERTIFICATES

- Ultimate Web Development (Udemy)
- CSS certificate (Knowledge Gate)

DECLARATION

I declare that the particulars given above are true and complete to the best of my knowledge.
